Message from the Board Chair

The Annapolis Valley Regional School Board believes in "Working Together for Children." AVRSB Board members and staff are committed to working with you to provide a positive and safe school environment where students can succeed.

"Working together" is the reason behind this guide. We hope the information provided here will help you take an active role in your child's education. I encourage you to take part in events at your school, talk to your child's teacher, and get involved in your school's Parent-Teacher Association, School Advisory Council, or Home and School Association.

We welcome and value your input. Please contact me or the Board member for your school at any time.

Lavinia Parrish Zwicker, Chair
Annapolis Valley Regional School Board

AVRSB At a Glance

Our Values

- We are committed to "Working Together for Students".

- Our mission is to create a supportive, student-centred environment where each student succeeds and all educational partners are respected and valued.

- Our guiding principles are Students First, Focus on Learning, Positive Environment, Respect for Diversity, and Collaboration, Partnerships and Cooperation.

Our Goals

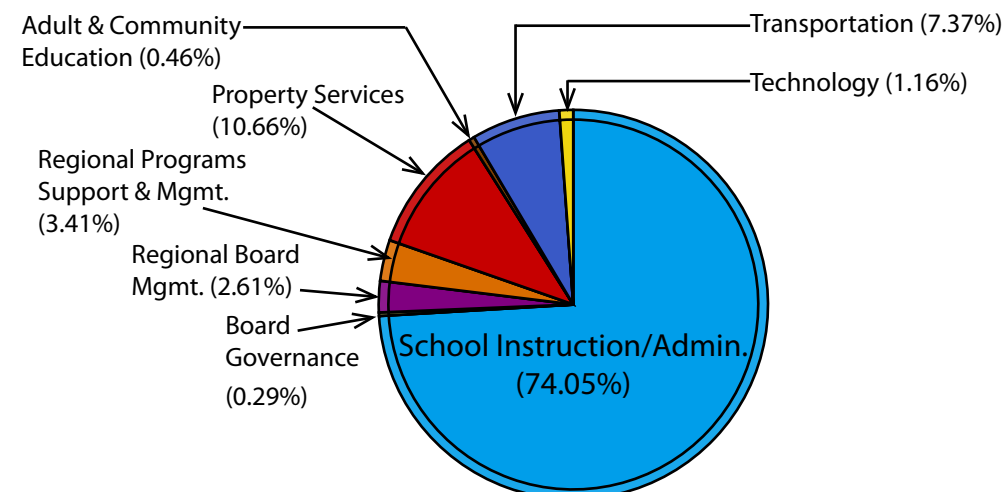

- Our 2011-2012 goals focus on student achievement, promoting race relations, cross-cultural understanding and human rights, and promoting safe and healthy schools and worksites.

Our People and Schools

- More than 14,100 students
- Over 940 teachers
- Approximately 800 support staff
- 43 schools serving Grades Primary to 12, and two adult high schools.

Our Funding and Budget

- Annual operating budget of approximately \$130 million. Over 74% of this supports school instruction and school administration.

Information for Parents and Guardians

If you have a question that isn't covered here, visit www.avrsb.ca or call (902) 538-4600.

Registering for school

Registration for Grade Primary at AVRSB schools takes place from January to May of each year. Each school also organizes orientation days for children entering Grade Primary, and their families. To register, contact your local school.

If you are new to the region, contact the school serving your new address at any time during the school year to register your children. During the summer, school offices open five business days before the first day of school.

To register for Grade Primary, a child must reach her/his fifth (5th) birthday on or before December 31 of the year they enter school.

How to find your school

To find out which school catchment area serves your home address, please contact the Transportation Department at (902) 538-4641.

Transportation

For information on school bus routes, bus stops and schedules, contact the AVRSB Transportation Department at (902) 538-4641. You can also contact the office at your child's school for this information during the school year.

Student Transfers

If you wish to send your child to a school other than the one serving your home address, AVRSB has a process to apply for student transfer. A transfer request is not automatically approved—it will be considered according to certain guidelines. If your request is approved, you are responsible for arranging transportation to and from school.

To start the process, contact your local school. Guidelines for student transfer and the "Request for Student Transfer" application form are available from your local school, and at www.avrsb.ca/content/forms-and-documents.

Storm Days and Weather Information

The decision to cancel or change bus transportation and/or school schedules is taken very seriously, and we appreciate that changes like these have an impact on your family.

Safety is always our first priority.

Any cancellations or changes due to road or weather conditions are announced in several ways:

- Radio (AVR network, Magic 94.9 FM, K-Rock 89.3 FM and CBC Radio 1 in Halifax)
- Television (ATV News/Breakfast Television, The Weather Network)
- Websites (www.avrsb.ca and radio station websites-- <http://avrnetwork.com>, www.magic949.ca, www.cbc.ca/stormcentre/)

Decisions to cancel or change bus transportation and/or school schedules before the start of the school day are announced by 6:00 a.m.

Parent/Guardian Concerns

If you have a concern about something at your child's school, we want to hear from you. We will make every effort to address your concern in a timely manner.

The first step is to contact your child's teacher or the staff member involved. Most concerns can be resolved at this level. If you feel more action is needed, the next step is to speak to your child's principal.

If the concern can't be resolved at the school level, please contact the Supervisor of School Support Services at (902) 538-4745. If a resolution still can't be reached, then please contact the Director of Programs and Services by calling (902) 538-4617. The last step in this process is to contact the Office of the Superintendent of Schools at (902) 538-4615.

Inservice Days/Early Dismissals

During the school year, teachers take part in occasional inservice, administrative and professional development days. These sessions help teachers improve the skills they use in the classroom. Sometimes, this means your child won't attend school on a particular day, or your child may be dismissed early. Schools have built extra time into the school day to offset early dismissals, so students don't miss any classroom time.

Your child's school will notify you in advance about inservice days, holidays and other special events. Check your school's monthly newsletter or website for information.

Early Immersion (Grade Primary Entry)

Berwick and District School
Kings County Academy
Kingston and District School
New Minas Elementary

Late Immersion (Grade Seven Entry)

Pine Ridge Middle School
West Hants Middle School

French Immersion

AVRSB offers a regional French Immersion program. Students from any part of the region may apply to join the program. Contact any of the schools listed here for more information or to enroll in an immersion program.

If your child attends an immersion program outside of your community school, you are responsible for transportation to and from school.

Student Services/Special Needs

In AVRSB, we believe in inclusive education. This means providing not only the school programs and courses that meet Nova Scotia Department of Education Public School Program requirements, but also offering a range of specialized programs, services and supports that meet the needs of all students.

If you feel your child may benefit from extra support to succeed, please speak with your child's teacher or principal.

Race Relations, Cross Cultural Understanding and Human Rights (RCH)

We all have a responsibility to treat each other equitably and with respect. We believe it's important for students to develop an understanding and appreciation of diversity, and to help make our schools welcoming places for students of all backgrounds, cultures, races, religions, genders and sexual orientations.

The Student Support Worker Program and Native Student Advisor Program are in place to provide support for students of African or Aboriginal descent and their families, in order to make their schooling a more positive experience, helping students to achieve success and remain in school.

Through PowerSchool, we encourage students to self-identify their background, but this is voluntary. Self-identification helps us determine the best ways to direct resources and programming, and allows us to offer appropriate scholarships, equity programs/initiatives, and events geared towards specific populations.

For more information, contact AVRSB's RCH Division at (902) 538-4735.

Health Promoting Schools

One of AVRSB's goals is to promote healthy and safe schools and worksites. The Annapolis Valley Health Promoting Schools Project supports a healthy school environment by "making the healthy choice the easy choice" for students when it comes to physical activity and healthy eating.

Our schools involve students in education and events that support healthy choices. Examples include breakfast programs, access to good nutrition throughout the day, increased fruit and vegetable offerings on school menus, daily physical activity (including more before- and after-school activity options), non-traditional physical activities and more.

iNSchool/PowerSchool

iNSchool is a province-wide program aimed at leveraging technology to support student achievement. PowerSchool is one part of iNSchool, a system our province has selected to manage student information.

PowerSchool allows teachers and school administrators to manage student attendance, schedules, achievement and behaviour. All AVRSB schools will start using PowerSchool by the end of the 2011-2012 school year.

This new system includes an updated report card format that provides parents/guardians and students with a clear and accurate picture of the student's progress, and will enable all schools in Nova Scotia to report on student achievement in a consistent way.

Freedom of Information and Protection of Privacy

All school boards in Nova Scotia are subject to the Freedom of Information and Protection of Privacy (FOIPOP) Act. The FOIPOP Act promotes openness and accountability in public organizations, and also sets out important rules for protecting the privacy of personal information about individuals. School boards also follow the Nova Scotia Student Records Policy.

AVRSB provides routine access to information on Board policies, finances, programs and services, and staff contacts at www.avrsb.ca. If you need other information on Board business, or if you wish to access confidential portions of your child's school records, please contact the Board's Communications and FOIPOP Officer at (902) 538-4614.

What Does an Elected School Board Do?

School Board members are elected to serve students. Their role is to make decisions in the best interests of all students and schools in the region, while making sure that resources are used efficiently and economically. The Board is responsible for planning, setting policies, representing the public and evaluation.

The Board is made up of 15 members. Thirteen are elected from each electoral district in the region, usually during municipal elections. Two members represent the entire region: one African Nova Scotian representative elected by eligible voters across the region, and one Mi'kmaq representative appointed by the Minister of Education.

The Superintendent of Schools reports to the elected Board. The Superintendent is responsible for day-to-day operations of school board offices and public schools in the region, as well as supervision of all school board employees.

Our Goals and Priorities

Every year, school boards in Nova Scotia submit a business plan to the Department of Education, outlining the school board's finances and operations, and its goals and priorities for the year. For 2011-2012, AVRSB is continuing to focus on three goals, with specific priorities for each:

Improve Student Achievement Levels

- Implement an early literacy program in all elementary schools.
- Use regional literacy and mathematics assessments to improve teaching.
- Update our technology infrastructure in order to integrate technology with curriculum.

Enhance Race Relations, Cross Cultural Understanding and Human Rights

- Integrate RCH learning opportunities throughout the curriculum.
- Implement a Native Student Advisor Program.
- Integrate RCH practices and awareness in all regional departments.

Promote Safe and Healthy Schools and Worksites

- Establish the first AVRSB SchoolsPlus site.
- Conduct long-range planning for possible upgrades to schools in central and western Kings County.
- Maintain and upgrade schools and worksites at safe /healthy standards.

Board and Committee Meetings

Regular Board Meetings

The full Board meets on the first Wednesday of every month during the school year at 7:00 p.m. in the Board Room on the second floor of AVRSB's regional office (121 Orchard Street, Berwick). In July and August, meetings are held only if required. If a special meeting is scheduled or if a meeting is happening at a different location, this will be announced at www.avrsb.ca. A public forum takes place at the end of each regular Board meeting.

Annual Board Meeting

The Board holds its Annual Board Meeting in November. At the Annual Board Meeting, board members elect a Chair, Vice Chair and third member of the Board executive. A nominating committee is also formed to recommend a new slate of Board members for standing and other committees. The Board presents its Annual Performance Report and reviews the appointment of a solicitor and auditor for the Board.

Members of the public are always welcome at regular Board meetings, the Annual Board Meeting and standing committee meetings.

Committees

Standing committees meet regularly to make recommendations for consideration/approval by the full Board at regular Board meetings:

- | | | |
|---------------------|---------------------------|----------------------------|
| - Board Executive | - Human Resources | - Race Relations, Cross |
| - Education | - Operations | Cultural Understanding and |
| - Finance and Audit | - Planning and Priorities | Human Rights |

For current committee membership, minutes and meeting schedules, visit www.avrsb.ca/content/board-committees.

Other committees include Suspension Review, Suspension Appeal and Individual Program Plan (IPP) Appeals. Ad hoc committees may also be formed for special tasks.

Meeting Information and Minutes

Details on the next regular Board meeting are always available at www.avrsb.ca. Agendas are published on the Friday before the meeting, and can be downloaded at www.avrsb.ca/content/meeting-information. Meeting highlights, minutes and related documents are posted to the same site following a regular Board meeting.

Committee meeting information and minutes are available from www.avrsb.ca/content/board-committees, or contact the Board Secretary at (902) 538-4675.

Board policies and administrative procedures are available at www.avrsb.ca/content/board-policies-and-administrative-procedures.

Making a Presentation to the Board or a Committee

There are many ways you can communicate with the Board to express your views, or the views of a group.

Every regular Board meeting ends with a public forum where any individual is welcome to speak. You or your group can also send written correspondence for Board or Committee consideration.

A person or group can arrange to appear before the Board or a Committee of the Board to express opinions or concerns, or to make proposals on any issues within the scope of the Board or Committee in question. Here's how to do it:

- Contact the Board Secretary at (902) 538-4675 or board.secretary@avrsb.ca **at least seven days before the meeting at which you want to appear.** Provide written notice of your intent to appear, and the reasons for your presentation. The Board or Committee Chair will determine which meeting is appropriate for your presentation, and the Board Secretary will confirm the time and date with you.
- Almost any topic can be addressed at a public board meeting, except for labour negotiations, legal matters, personnel matters and discipline issues. Contact AVRSB's Regional Office at (902) 538-4600 or 1-800-850-3887 to be directed to the correct department for these topics.
- If presenting as a group, you can appoint up to two spokespeople. The spokespeople can present for a combined total of 10 minutes. After your presentation, Board members may ask questions for clarification.
- Once you or your group have made a presentation, you must wait six months before making another presentation on a similar topic to the Board. If the topic is urgent, the Board may amend this rule.
- Generally, a decision on the topic of your presentation is not made at the same meeting. You or your group will be notified later if any decision has been made related to your presentation.

This information is adapted from AVRSB Board By-laws, Section 9: Public/Student Presentations. For complete information, click on the "Board By-laws" link in the School Board section of www.avrsb.ca.

Get Involved!

As part of AVRSB's vision of "Working Together for Students," we encourage you to get involved in your child's education.

Volunteering in Schools

Most schools have volunteer programs, and welcome the contributions of volunteers. To volunteer, contact your school principal. The principal will let you know what volunteer opportunities are available, as well as the responsibilities and expectations involved.

If you are volunteering in a role where you will have access to students, a screening process is required to ensure student safety. Two security checks are necessary: a Child Abuse Registry Check and a Police Records Check. A Child Abuse Registry form is available at www.avrsb.ca/content/forms-and-documents, and the AVRSB Human Resources (HR) department can provide a letter to present to the RCMP for your Police Records Check.

For more information, contact our HR Department at (902) 538-4733 or hrclerk@avrsb.ca. You can also view the Board policy and administrative procedure on volunteers in schools (BP 305.14/AP 305.14) at www.avrsb.ca/content/board-policies-and-administrative-procedures.

School Advisory Councils, Parent-Teacher Associations and Home and School Associations

These groups help connect parents/guardians and school community members with their school, and provide valuable input to the school. Most School Advisory Councils, Parent-Teacher or Parent-Teacher-Student Associations and Home and School Associations meet monthly. Contact your school to find out more about its parent/guardian organization.

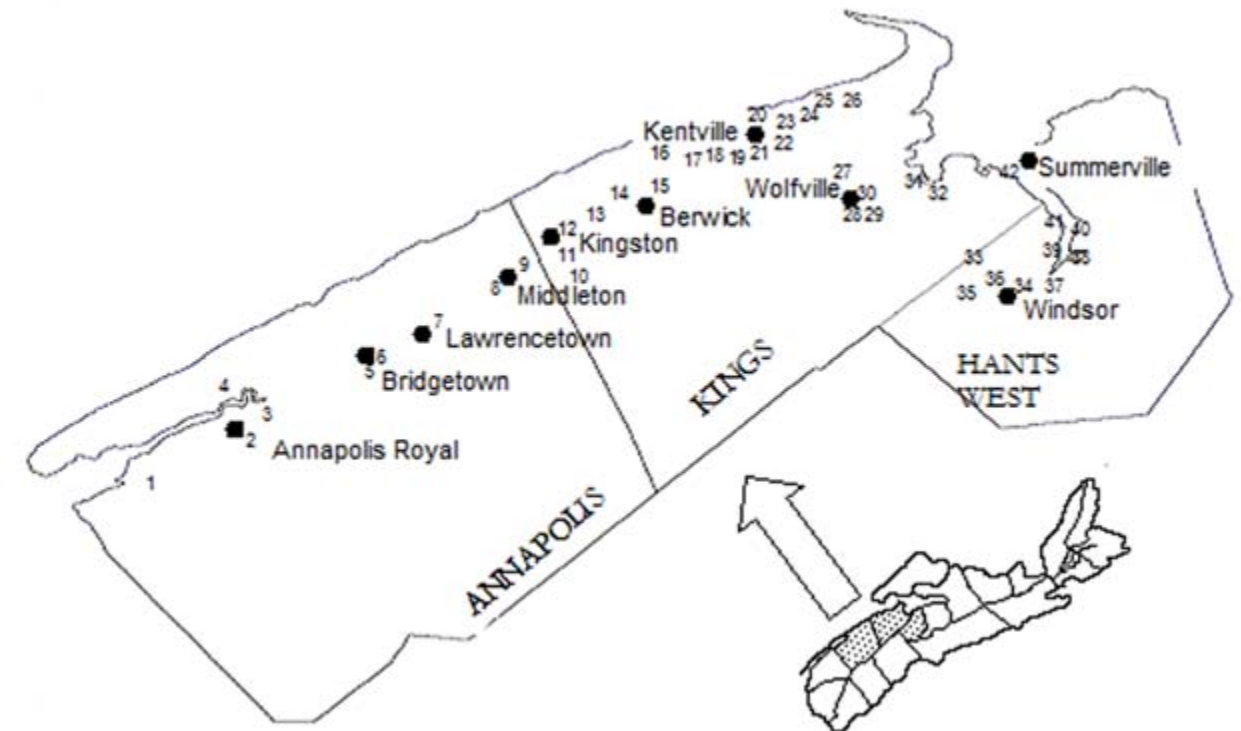

School Advisory Councils (SACs) are volunteer organizations whose duties and authorities are embedded in the Nova Scotia Education Act. SACs are composed of parents/guardians, staff, community members and, where appropriate, students. Their purpose is to provide advice to principals and the school board in the best interest of students.

Home and School Associations promote communication and collaboration between parents/guardians, teachers and school administrators on issues affecting the school and education. The Nova Scotia Federation of Home and School Associations represents Home and School Associations in the province, and many AVRSB schools are members. For more information, visit www.nsfhsa.org.

Parent-Teacher and Parent-Teacher Student Associations exist to support schools, encourage community involvement, communicate with teachers, and organize family events.
