

Department: Superintendent of Schools
Section: System Administration

The Annapolis Valley Regional School Board acknowledges the expectation of the Department of Education and Early Childhood Development that all school boards in the Province develop a written policy requiring the playing of the national anthem on a daily basis and at special events in schools.

The Board believes its well-established practice of playing the national anthem in schools is an important part of education.

The Board wishes to encourage opportunities to instill in our young people a sense of national identity and pride.

Monitoring

- The Superintendent of Schools is responsible for the implementation, monitoring and revision of this policy.
- This policy will be monitored annually.
