

Severe Learning Disabilities Service Appeal Process Board Policy

Department: Programs and Services
Section: Special Education

The Annapolis Valley Regional School Board believes that all persons who share in the planning for a student's program need to be heard fairly and understood when they disagree with decisions which have been made in relation to that student's program.

Therefore, the Annapolis Valley Regional School Board directs that a process which is accessible, straight-forward, and fair shall be available to all members of a Program Planning Team who wish to appeal the decision of the Selection Committee for Learning Disabilities services.

Specifically:

- The Director of Programs and Services will be responsible for the implementation, monitoring and revision of the policy.
- The policy shall be reviewed annually.
