Message from the Board Chair

The Annapolis Valley Regional School Board's vision is "Working Together for Students." Our governing board members and staff are dedicated to working with you to support your child's success in a safe and inclusive school environment.

The information in this guide will help you take an active role in your child's education. I also encourage you to stay in touch with your child's teacher, take part in events at school, and to be involved in the parent/guardian organization that supports your child's school.

We welcome and value your input. Please contact me or the Board member for your school at any time. Contact information for Board members is on page 9 of this guide.

Lavinia Parrish Zwicker, Chair

January 24-27 First semester exams	June 30 Last day of school

Middle level reporting will follow the schedule appropriate to school configuration. Individual schools may also schedule occasional in-service, administrative or professional development days. Please check with your child's school for other important dates.

Information for Parents and Guardians

If you have a question that isn't covered here, visit www.avrsb.ca or call 902-538-4600.

Registering for School

Registration for Grade Primary at AVRSB schools takes place from January to May of each year. Each school also organizes orientation days for children entering Grade Primary. To register, contact your local school.

If you are new to the region, contact the school serving your new address at any time during the school year to register your children. During the summer, school offices open for registrations and course changes five business days before the first day of school.

To register for Grade Primary, a child must reach their fifth (5th) birthday on or before December 31 of the year they enter school.

How to Find Your School

To find out which school catchment area serves your home address, use our online catchment search. Go to <https://avrsb.ca/our-schools> and click on the "Catchment Search" button. From there you can enter your address and you'll be directed to the schools serving your area. You can also contact the Transportation Division at 902-538-4641 to find your school catchment area.

Transportation

For information on school bus routes, bus stops and schedules, contact our Transportation Division at 902-538-4641 (toll-free 1-800-850-3887) or transportation@avrsb.ca. During the school year, office staff at your child's school can also provide information on bus routes.

Student Transfers

If you wish to send your child to a school other than the one serving your home address, AVRSB has a process to apply for a student transfer. A transfer request is not automatically approved—it will be considered according to certain guidelines. If your request is approved, you are responsible for arranging transportation to and from school.

To start the process, contact your local school. Guidelines for student transfer and the "Request for Student Transfer" application form are available from your local school, and at <https://avrsb.ca/student-transfers>

Storm Days and Weather Information

The decision to cancel or change bus transportation and/or school schedules is taken very seriously. We appreciate that changes like these have an impact on your family.

Safety is always our first priority.

Any changes due to road or weather conditions are announced in several ways:

- AlertSolution messages sent to parents/guardians who have current contact information on file at their child's school

- Twitter: Follow @avrsb 

- Text or email to subscribers of AVRSB's "Notify Me" Service (visit www.avrsb.ca/content/notify-me to sign up)

- Radio (AVR Network, Magic 94.9 FM, K-Rock 89.3 FM and CBC Radio 1 in Halifax)

- Television (ATV News/Breakfast Television)

- Websites (www.avrsb.ca and radio station websites)

Decisions to cancel or change bus transportation and/or school schedules before the start of the school day are announced as close to 6:00 a.m. as possible

Parent/Guardian Concerns

If you have a concern about something at your child's school, we want to work with you to resolve it. We will make every effort to address your concern in a timely manner.

The first step is to contact your child's teacher or the staff member involved. Most concerns can be addressed at this level. If you feel more action is needed, the next step is to speak to your child's principal.

If the concern can't be resolved at the school level, please contact the Supervisor of School Support Services at 902-538-4745. If a resolution still can't be reached, please contact the Director of Programs and Services by calling 902-538-4617. The last step in this process is to contact the Office of the Superintendent of Schools at 902-538-4615.

AlertSolutions Messages for Weather- Related Cancellations and Emergency Messages

Beginning in the 2016-2017 school year, AVRSB will use AlertSolutions to send emergency and cancellation notices to parents/guardians. AlertSolutions is part of the student information system, and uses the contact information you have on file with your child's school to send text, email and/or phone messages.

You can manage your contact preferences through the Parent Portal of PowerSchool or by contacting your school office.

For those who aren't parents/guardians, such as grandparents or daycare providers, we offer Notify Me, a text/email notice service by subscription. To subscribe, visit www.avrsb.ca/content/notify-me

Parents/guardians who previously signed up for Notify Me may wish to unsubscribe to this service to avoid receiving duplicate messages. Visit www.avrsb.ca/content/notify-me to unsubscribe.

Early Immersion (Grade Primary Entry)

Kings County Academy
Kingston and District School
New Minas Elementary

Late Immersion (Grade Seven Entry)

Pine Ridge Middle School
West Hants Middle School

Regional French Immersion Program

AVRSB offers a regional French Immersion program. Students from any part of the region may apply to join the program. Contact any of the schools listed here for more information or to enroll in an immersion program.

If your child attends an immersion program outside of your community school, you are responsible for transportation to and from school.

French Immersion Information Sessions for interested parents/guardians are offered every winter. Information session dates and times will be announced on the AVRSB website and on Twitter @avrsb.

Student Services/Special Needs

In AVRSB, we believe in inclusive education. This means providing not only the school programs and courses that meet Public School Program requirements set by the Department of Education and Early Childhood Development, but also offering a range of specialized programs, services and supports to meet the needs of all students.

If you feel your child may benefit from extra support to succeed, please speak with your child's teacher or principal.

Race Relations, Cross Cultural Understanding and Human Rights (RCH)

We all have a responsibility to treat each other equitably and with respect. We believe it's important for students to develop an understanding and appreciation of diversity, and to ensure schools are welcoming places for students of all backgrounds, cultures, races, religions, genders and sexual orientations.

All AVRSB high schools and middle schools have established a "GSA" (gay-straight alliance or gender-sexuality alliance) to support students and advocate for inclusion and diversity.

The Student Support Worker Program and Native Student Advisor Program provide support for students of African descent or Aboriginal identity and their families. These programs contribute to a more positive schooling experience to encourage student success.

Self-Identification is for Everyone

We encourage all students to self-identify their ancestry. Self-identification helps us determine the best ways to direct resources and programming. It also enables us to better understand our student population and to offer appropriate scholarships, equity programs/initiatives and events. For more information, please contact the RCH Division at 902-538-4735.

Provincial Code of Conduct Policy

The Provincial School Code of Conduct Policy has been developed by the Nova Scotia Department of Education and Early Childhood Development. This policy applies to all schools across the province. For details on the School Code of Conduct, please speak to your child's school or visit www.ednet.ns.ca.

Provincial Homework Policy

The Nova Scotia Department of Education and Early Childhood Development sets province-wide guidelines and expectations for homework at all grade levels. The Provincial Homework Policy can be viewed at www.ednet.ns.ca.

School Insurance Program

The Nova Scotia School Insurance Program (SIP) is a non-profit insurer owned and operated by Nova Scotia's school boards and the Nova Scotia Community College. Through SIP, every public school student in Nova Scotia receives accident insurance coverage while they are attending school during regular hours and during school-related activities. This coverage is provided at no cost to families.

Parents/guardians have the option of upgrading this accident insurance coverage to a Gold Plan, which offers increased coverage and benefits. For details or to sign up for the Gold Plan, visit www.sip.ca.

iNSchool/PowerSchool, Parent Portal and AlertSolutions

PowerSchool is a provincial system to manage student information and records. Through this system, many schools are now able to provide access to a "Parent Portal" that allows parents/guardians to receive updates on their child's school activities and progress. For information on accessing the Parent Portal, check with your child's school office.

PowerSchool also includes an Alert System, which enables the school to contact parents/guardians if a student has an unexcused absence from school, or to notify families of important school events. If your school provides notices through the Alert System, you can manage your contact preferences through the Parent Portal, or by making a request to your child's school office.

Access to Your Child's School Records/Freedom of Information Protection of Privacy

All school boards in Nova Scotia are subject to Nova Scotia Student Records Policy (2006) and the *Freedom of Information and Protection of Privacy* (FOIPOP) Act. The FOIPOP Act promotes openness and accountability in public organizations, and also sets out important rules for protecting the privacy of personal information about individuals. The student records policy outlines what goes in a student's record, and how those records are managed.

General information on Board policies, finances, programs and services, and staff contacts is at www.avrsb.ca. Parents/guardians can also access certain information from their child's school records. If you need other information on Board business, or if you wish to access confidential portions of your child's school records, please contact the Board's Communications/FOIPOP Officer at 902-538-4614.

AVRSB at a Glance

Values

- We believe in *Working Together for Students*.
- Our mission is to create a supportive, student-centred environment where each student succeeds and all educational partners are respected and valued.
- Our guiding principles are Students First, Focus on Learning, Positive Environment, Respect for Diversity, and Collaboration, Partnerships and Cooperation.

Students, Staff and Schools

- Approximately 12,900 students
- Approximately 1,500 full-time equivalent (FTE) positions, including over 880 FTE school-based teaching and support staff.
- 41 schools serving Grades Primary to 12, and two adult high schools.

Funding and Budget

- Annual operating budget of approximately \$138 million, with over 80% dedicated to school instruction and services.

Goals and Priorities

All school boards in Nova Scotia develop annual business plans that outline the board's finances, operations, goals and priorities for the year. For 2016-2017, AVRSB will focus on three goals and several related priorities:

Goal 1: To improve student achievement

- Implement streamlined provincial curriculum for grades 4-6, including integration of educational technology and student assessment
- Implement provincial literacy strategy for grades P-12
- Implement provincial math strategy for grades P-12
- Implement new provincial model for school improvement planning (Student Success Planning)
- Engage in Year 2 of the three-year Middle Level Review plan

Goal 2: To strengthen safe and inclusive school environ- ments

- Monitor and report progress of students following Individual Program Plans (IPPs)
- Implement recommendations of the IPP review
- Develop a comprehensive business continuity management process
- Develop a monitoring process to ensure schools conduct all required emergency drills
- Achieve a 1:500 ratio for Guidance positions across the region
- Manage and support the Wolfville School renovation project, cooperate with Department of Transportation and Infrastructure Renewal on the Bridgetown P-12 school construction

Goal 3: To enhance race relations, cross cultural understanding and respect for human rights

- Increase the percentage of students who self-identify in PowerSchool
- Work collaboratively with Programs Consultants to apply the Nova Scotia Bias Evaluation Tool to learning resources
- Continue to enhance culturally-responsive instruction and assessment across the Board

Visit "Governing School Board" at www.avrsb.ca for:

- Minutes and highlights from Board and Committee meetings
- Policies and administrative procedures

About the Governing School Board

School Board members are elected to make decisions in the best interests of all students and schools in the region, while making sure that resources are used efficiently and economically. The Board is responsible for planning, setting policies, representing the public, and system evaluation.

Currently, the Board is made up of 15 members: thirteen are elected from each electoral district in the region, usually during municipal elections. Two members represent the entire region: one African Nova Scotian representative elected by eligible voters across the region, and one Mi'kmaq representative appointed by the Minister of Education and Early Childhood Development. As of October 15, 2016, the Board will consist of 10 members elected from revised school board electoral districts approved by the Nova Scotia Utility and Review Board, plus one elected African Nova Scotian representative and one appointed Mi'kmaq representative.

The Superintendent of Schools reports to the elected Board. The Superintendent is responsible for day-to-day operations of school board offices and public schools in the region, as well as supervision of all school board employees.

Members of the public are always welcome at regular Board meetings, the Annual Board Meeting and standing committee meetings.

Board and Committee Meetings

Regular Board Meetings

The full Board meets on the first Wednesday of every month during the school year at 6:30 p.m., usually in the second floor Board Room of AVRSB's Regional Office (121 Orchard Street, Berwick). In July and August, meetings are held only if required. If a special meeting is scheduled or if a meeting is happening at a different location, this will be announced at www.avrsb.ca.

A public forum takes place at the end of each regular Board meeting.

Annual Board Meeting

The Board holds its Annual Board Meeting in November. At this meeting, board members elect a Chair, Vice Chair and third member of the Board executive. A nominating committee is formed to recommend a new slate of Board members for standing and other committees. The Board presents its Annual Performance Report and reviews the appointment of its solicitor and auditor.

Committees

Standing committees meet regularly to make recommendations for consideration/approval by the full Board at regular Board meetings:

- Education
- Finance and Audit
- Planning and Priorities
- Human Resources
- Operations
- Race Relations, Cross Cultural Understanding and Human Rights

For current committee membership, minutes and meeting schedules, visit <https://avrsb.ca/governance>

Other committees include Board Executive, Suspension Review, Suspension Appeal and Individual Program Plan (IPP) Appeals. Ad hoc committees may be formed for special tasks.

Making a Presentation to the Board or a Committee

There are many ways you can communicate with the Board to express your views, or the views of a group.

Every regular Board meeting ends with a public forum where any individual is welcome to speak. You or your group can also send written correspondence for Board or Committee consideration.

A person or group can arrange to appear before the Board or a Committee of the Board to express opinions or concerns, or to make proposals on any issues within the scope of the Board or Committee in question. Here's how to do it:

- Contact the Board Secretary at 902-538-4675 or board.secretary@avrsb.ca **at least seven days before the meeting at which you want to appear**. Provide written notice of your intent to appear, and the reasons for your presentation. The Board Chair will determine which meeting is appropriate for your presentation and the Board Secretary will confirm the time and date with you.
- Almost any topic can be addressed at a public board meeting except for labour negotiations, legal matters, personnel matters and discipline issues. Contact AVRSB's Regional Office at (902) 538-4600 or 1-800-850-3887 to be directed to the correct department for these topics.
- If presenting as a group, you can appoint up to two spokespeople. The spokespeople can present for a combined total of 10 minutes. After your presentation, Board members may ask questions for clarification.
- Once you or your group have made a presentation, you must wait six months before making another presentation on a similar topic to the Board. If the topic is urgent, the Board may amend this rule.
- Generally, a decision on the topic of your presentation is not made at the same meeting. You or your group will be notified later if any decision has been made related to your presentation.

This information is adapted from AVRSB Board By-laws, Section 9: Public/Student Presentations. For complete information, visit <https://avrsb.ca/governance>

Accessing Board Policies and Information from Board and Committee Meetings

Meeting Information and Minutes

Details on the next regular Board meeting are available at www.avrsb.ca. Agendas are published on the Friday before the meeting and can be downloaded at <https://avrsb.ca/governance>. Meeting highlights, minutes and related documents are posted to the same site following a regular Board meeting.

Committee meeting information and minutes are available from www.avrsb.ca/content/board-committees or contact the Board Secretary at 902-538-4675.

Board Policies and Administrative Procedures

<https://avrsb.ca/policies>

Get Involved!

As part of AVRSB's vision of "Working Together for Students," we encourage you to get involved in your child's education. If you have a question about your child's schooling, you are always welcome to contact your child's teacher or school principal.

Volunteering in Schools

Most schools have volunteer programs and welcome the contributions of volunteers. To volunteer, contact your school principal. The principal will let you know what volunteer opportunities are available, as well as the responsibilities and expectations involved.

If you are volunteering in a role where you will have access to students, a screening process is required to ensure student safety. Two security checks are necessary: a Child Abuse Register Request for a Search and a Criminal Records Check. A Child Abuse Register Request for a Search Form is available at <https://avrsb.ca/forms-and-documents-0>, and our Human Resources (HR) department can provide a letter to present to your local police detachment for your Criminal Records Check.

For more information, contact our Main Reception at 902-538-4600 or reception@avrsb.ca. You can also view the Board policy and administrative procedure on volunteers in schools (BP 305.14/AP 305.14) at <https://avrsb.ca/policies>

School Advisory Councils, Home and School Associations and Parent/Guardian-School Support Organizations

Most schools have parent/guardian groups that help connect families and school community members with their school, and provide valuable input to school operations. Some groups also plan fundraisers and special activities for the school community.

Most School Advisory Councils, Home and School Associations, and other types of parent/guardian-school support organizations meet monthly during the school year. Contact your school to find out more about the type of group that supports your school, and ways to get involved.

School Advisory Councils (SACs) are volunteer organizations whose duties and authorities are embedded in the *Nova Scotia Education Act*. SACs are composed of parents/guardians, staff, community members and, where appropriate, students. Their purpose is to provide advice to principals and the school board in the best interest of students.

Home and School Associations promote communication and collaboration between parents/guardians, teachers and school administrators on issues affecting the school and education. The Nova Scotia Federation of Home and School Associations represents Home and School Associations in the province and many AVRSB schools are members. For more information, visit www.nsfhsa.org.

Other parent/guardian-school support organizations exist to support schools, encourage community involvement, communicate with staff and organize family events.
